

Amsterdam QuickShip Museum Display Cases

GSA &
Multi case
Pricing
Available

The 10-31 Amsterdam line of display cases offers museum quality all glass table and pedestal cases at a price point any institution can afford. European design and manufacturing gives you beautifully built glass and aluminum construction that has not been available in the U.S. at this price point before. These cases are predesigned and ready to fabricate in your choice of color and fabric. Museum grade conservation at a fraction of the cost and in as little as 8 weeks.

Table Cases

Amsterdam table cases allow for unobstructed views of precious small objects and manuscripts.

- Frameless glass hoods feature laminated safety glass with UV protection
- Includes a hidden back hinge for additional safety while handling artwork
- Concealed gas strut lifting mechanism holds the case in place for safe object handling
- Available in 3 standard sizes and two glass heights (custom sizes also available)
- Optional water white glass, mitered glass construction, exposed lifting handles (shown), internal lighting and climate control

Pedestal Cases

Amsterdam pedestal cases use the classic lift off hood concept for protecting precious objects.

- Laminated safety glass case and a solid modular aluminum frame for rigidity and security
- Twin high security locks
- Available in 3 standard sizes (custom sizes available)
- Optional water white glass, mitered glass construction and climate control
