Dear Member Names Here:

Of all the things a family can do together, there's nothing like COSI. In 700 AD, the Silk Road connected Asia to the Middle East, tying two different worlds together. Today at COSI, we're also tying worlds together, combining interactive science experiences with natural history and cultural anthropology from the American Museum of Natural History.

Renew to experience the American Museum of Natural History Dinosaur Gallery at COSI, plus the American Museum of Natural History special exhibition *Traveling the Silk Road*. Both are included with your COSI Membership. As a COSI Member, you'll receive:

- **YEAR-LONG** general admission to COSI – come for an hour or stay all day
- **FREE** admission to the American Museum of Natural History Dinosaur Gallery
- **FREE** admission to 360+ science centers – perfect for summer travel
- **FREE** Planetarium shows for Premium Family and Ultimate Family Members\*
- **FREE** Giant Screen movies and Motion Simulator rides for Ultimate Family Members\*

By renewing, you can feel proud your Membership helps COSI remain a world-class science center serving Ohio and beyond. I look forward to welcoming you back!

Sincerely,

Included with COSI Membership

### *Did you know?*

A COSI Family Membership costs less than \$13 a month and can pay for itself in two visits or less!

***P.S. Membership can pay for itself in fewer than two visits, and the memories last a lifetime. Renew today!***

\* Benefits include unlimited free admission to regularly-scheduled daytime Giant Screen movies (with Ultimate Family Membership) and Planetarium shows (with Ultimate or Premium Membership).
